

Aerosol

ACTIVE INGREDIENTS:

Clothianidin	0.40%
Metofluthrin	0.01%
*Piperonyl Butoxide	1.00%
OTHER INGREDIENTS	98.59%
	100.00%

* (butylcarbityl) (6-propylpiperonyl) ether and related compounds

KEEP OUT OF REACH OF CHILDREN

PRECAUCIÓN AL CONSUMIDOR: Si usted no lee inglés, no use este producto hasta que la etiqueta le haya sido explicada ampliamente.

(TO THE USER: If you cannot read English, do not use this product until the label has been fully explained to you.)

See back panel for additional Precautionary Statements and Directions for Use

HOTLINE NUMBER

Have the product container or label with you when calling a poison control center or doctor, or going for treatment. For information on this product (including health concerns, medical emergencies or pesticide incidents), you may call 1-888-740-8712.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco, or using the toilet.

PERSONAL PROTECTIVE EQUIPMENT (PPE): Applicators and other handlers must wear long-sleeved shirt, long pants, and shoes and socks.

USER SAFETY REQUIREMENTS: Follow manufacturer's instructions for cleaning/maintaining PPE. If no such instructions exist, use detergent and hot water. Keep and wash PPE separately from other laundry. Discard clothing and other absorbent materials that have been drenched or heavily contaminated with the product. Do not reuse them.

PHYSICAL OR CHEMICAL HAZARDS: Contents are under pressure. Do not use or store near heat, sparks or open flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting. Keep product from freezing. Do not apply this product in, on or around electrical equipment due to the possibility of shock hazard.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

READ ENTIRE LABEL. USE STRICTLY IN ACCORDANCE WITH PRECAUTIONARY STATEMENTS AND DIRECTIONS AND WITH APPLICABLE STATE AND FEDERAL REGULATIONS.

USE RESTRICTIONS: FOR INDOOR USE ONLY. THIS PRODUCT IS NOT FOR USE ON HUMANS OR ANIMALS. Do not use in commercial food/feed processing, preparation, and food/feed storage or serving areas. In residential areas, all food/feed processing surfaces and utensils must be covered during treatment, or thoroughly washed before use. Cover or remove exposed food/feed. Remove pets, birds and cover fish aquariums before spraying. DO NOT allow adults, children or pets to enter treated area until sprays are dry. DO NOT apply to plants or crops. DO NOT treat areas when occupants are present. DO NOT apply as a space spray. DO NOT wet articles to the point of runoff or drip. DO NOT use treated articles until spray has dried.

SHAKE WELL BEFORE EACH USE. This product will not stain water-safe fabrics and surfaces; however, care should be taken to test an inconspicuous area for staining prior to use.

HOLD CONTAINER UPRIGHT WITH NOZZLE POINTED AWAY FROM YOU. PRESS VALVE AND SPRAY FROM A DISTANCE OF 8 TO 10 INCHES. SPRAY EACH SQUARE FOOT FOR 5 SECONDS OR UNTIL DAMP. USE THE CONVENIENT APPLICATOR FOR CRACK AND CREVICE TREATMENT.

CROSSFIRE® Aerosol effectively kills bed bugs in residential, industrial, commercial, military and government buildings and structures. CROSSFIRE Aerosol's technology provides residual control for up to one month on unpainted wood surfaces after application and is formulated to target pyrethroid-resistant wild and field as well as susceptible bed bug strains. CROSSFIRE Aerosol also kills bed bug nymphs and eggs by contact. Apply CROSSFIRE Aerosol as an indoor crack and crevice, spot treatment, or direct spray application (according to application instructions) in non-food areas including but not limited to: homes, hotels, motels, kennels, shelters, modes of transportation, restaurants, schools, hospitals, nursing homes, warehouses, offices, apartments, theaters, mobile homes, factories, grocery stores, dormitories, day care facilities, shelters, rest areas, waiting rooms, garages, new construction, cellulose insulation, cotton batting, industrial transportations such as: buses, taxis, aircraft, trucks, U-Hauls® and moving vans, trailers, recreational vehicles (RVs), recreational buildings, campers, ships, boats, ferries, trains, yachts, cars and animal transportation vehicles. This product will not stain water-safe fabrics or surfaces, however care should be taken to test an inconspicuous area for staining prior to use. This product will extend control to non-chemical temperature dependent methods such as heat treatments.

TO KILL BED BUGS (Adults, Nymphs and Eggs): For best results, vacuuming surfaces is recommended prior to treatment. Spray bed bugs and eggs directly wherever possible. Spray surfaces thoroughly, paying special attention to areas where bed bugs and their eggs hide or harbor, such as in and around non-food areas including on and around baseboards, floorboards, millwork, bed frames, headboards, wall hangings, non-upholstered furniture, door and window frames, walls, closets, window treatments, beneath floor coverings, as well as other non-washable items that may come in contact with bed bugs such as luggage, shoes and backpacks. If treating a pet's living environment, spray on and around pet beds, pet bedding, floors, pet sleeping areas and furnishings. Pet bedding must be washed before reuse. Do not spray product directly on pets. Allow treated surfaces to dry thoroughly prior to being contacted by people or pets.

MATRESS, CARPET AND UPHOLSTERED FURNITURE APPLICATION: CROSSFIRE Aerosol can be directly applied to mattresses and box springs. Infested bed linens must not be treated. These must be removed, tightly sealed in a plastic bag, laundered and dried at high temperatures prior to reuse. Vacuuming surfaces prior to treatment is highly recommended. Spray product directly to mattress surface, paying special attention to seams, folds, tufts and edges, as well as bed frames and box springs where bed bugs harbor. Clean linen must be put on bed prior to reuse. For use on upholstered furniture, apply product directly to seams, folds, tufts and edges ONLY. Do not apply to surfaces that may have direct contact with people or pets. Allow treated areas to dry thoroughly prior to being contacted by people or pets. When treating carpets, floor coverings or rugs, spray on and around baseboards, floorboards and along edges of carpeting. Apply enough product to get spray coverage to the bottom of the carpet and pad where bed bugs may be hiding. Spray under rugs.

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage and disposal.

PESTICIDE STORAGE: Do not store near heat or open flame. Store in cool dry area away from children. Keep from freezing.

PESTICIDE DISPOSAL: Waste resulting from the use of this product must be disposed of on site or at an approved waste disposal facility.

CONTAINER DISPOSAL: Do Not Puncture or Incinerate! **If empty:** Place in trash or offer for recycling if available. **If partly filled:** Call your local solid waste agency or 1-888-740-8712 for disposal instructions.

Federal regulations prohibit
CFC propellants in aerosols
