**Made in the U.S.A.**

**KEEP OUT OF  
REACH OF CHILDREN  
CAUTION**

**STOP: Read Entire Label Before Use  
See back panels for First Aid and  
additional precautionary statements.**

**PRECAUTIONARY  
STATEMENTS**

**Hazards to Humans and  
Domestic Animals**

**CAUTION:** Harmful if swallowed. Harmful if absorbed through skin. Causes moderate eye irritation. Avoid breathing vapors or spray mist. Avoid contact with skin, eyes or clothing. Prolonged or frequently repeated skin contact may cause allergic reactions in some individuals. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Remove and wash contaminated clothing before reuse.

**PERSONAL PROTECTIVE EQUIPMENT (PPE)**

Mixers, loaders, applicators and other handlers, must wear the following:

- Long-sleeved shirt
- Long pants
- Shoes and socks

In addition to the above PPE, applicators using a high pressure hand wand in an enclosed area must wear at least a NIOSH-approved particulate respirator with any R or P filter with NIOSH approval number prefix TC-84A.

In addition to the above PPE, applicators using hand held foggers in an enclosed area must wear a half-face, full-face, or hood-style NIOSH-approved respirator with:

- a supplied air respirator with NIOSH approval number prefix 19C or
- a self-contained breathing apparatus (SCBA) with NIOSH approval number prefix TC-13F.

**User Safety Requirements:**

- Follow manufacturer's instructions for cleaning/maintaining PPE. If no such instructions for washables exist, use detergent and hot water. Keep and wash PPE separately from other laundry.
- Discard clothing and other absorbent materials that have been drenched or heavily contaminated with this product. Do not reuse them.

**User Safety Recommendations:**

- User should wash hands before eating, drinking, chewing gum, using tobacco or using the toilet.
- User should remove clothing/PPE immediately if pesticide gets inside. Then wash thoroughly and put on clean clothing.
- Users should remove PPE immediately after handling this product. Wash the outside of gloves before removing. As soon as possible, wash thoroughly and change into clean clothing.

FIRST AID	
If Swallowed	<ul style="list-style-type: none"><li>• Immediately call a poison control center or doctor.</li><li>• Do not induce vomiting unless told to do so by a poison control center or doctor.</li><li>• Do not give any liquid to the person.</li><li>• Do not give anything by mouth to an unconscious person.</li></ul>
If in Eyes	<ul style="list-style-type: none"><li>• Hold eye open and rinse slowly and gently with water for 15-20 minutes.</li><li>• Remove contact lenses, if present, after the first 5 minutes, then continue rinsing.</li><li>• Call a poison control center or doctor for treatment advice.</li></ul>
If on Skin or Clothing	<ul style="list-style-type: none"><li>• Take off contaminated clothing.</li><li>• Rinse skin immediately with plenty of water for 15-20 minutes.</li><li>• Call a poison control center or doctor for treatment advice.</li></ul>
Have this product container or label with you when calling a poison control center or doctor or when going for treatment. You may also call 1-800-858-7378 for emergency medical treatment advice.	
NOTE TO PHYSICIAN: Contains petroleum distillates. Vomiting may cause aspiration pneumonia.	

**Physical and Chemical Hazards**

Do not use or store near heat or open flame. Do not use product in conduits, motor housings or electrical switch boxes.

**DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

For maximum effectiveness, a combination of surface treatment and space spraying is recommended.

- Use Restrictions:
- Remove or cover exposed food and drinking water before application.
  - Remove or cover dishes, utensils, food processing equipment and food preparation surfaces or wash them before use.
  - For use as a surface spray:
    - Do not enter or allow others to enter until spray has dried.
    - Do not apply more than one time per day.
  - For use as a space spray:
    - Do not enter or allow others to enter until vapors, mists and aerosols have dispersed and the treated area has been thoroughly ventilated.
    - Do not remain in treated area. Exit area immediately and remain outside the treated area until aerosols, vapors and/or mists have dispersed.
    - When used in food/feed handling facilities: Do not make space spray applications while facility is in operation. Prior to space spray applications, cover or remove food and cover food processing surfaces or clean after treatment and before use.
    - Do not apply more than one time per day.
  - Do not apply this product in a way that will contact workers or other persons either directly or through drift. Only protected handlers may be in the area during application.
  - Do not wet articles to point of runoff or drip.
  - Do not use treated article until spray has dried.
  - Remove pets and birds and cover fish aquariums before spraying.

**SURFACE SPRAYING:**

When applying as a surface spray, use 1 gallon of this product per 750 sq. ft. of area.

To control exposed or accessible stages of roaches, silverfish, spiders, crickets, clover mites, cheese mites, granary weevils, rice weevils, confused flour beetles, rust red flour beetles, saw-toothed grain beetles, spider beetles, cigarette beetles, drugstore beetles, meal worms, grain mites and cadelles: Use a good sprayer adjusted to deliver a coarse wet spray. Direct the spray into hiding places, cracks and crevices, under pallets, around containers of stored foods, around the base of machinery, behind shelves and drawers. For silverfish, spray bookcases.

To control **carpet beetles**: Spray edges of carpeting and under carpeting and rugs. Make localized application to floor and baseboards. Spray directly into cracks, closets and infested areas of shelving.

To control **bedbugs**: Spray mattresses lightly, particularly around tufts and seams. Take beds apart and spray in all joints. Treat baseboards, moldings and floors.

To control **fleas** and **brown dog ticks**: Thoroughly spray infested areas, pet beds, resting quarters, nearby cracks and crevices, along and behind baseboards, moldings, window and door frames and all areas of floor and floor covering. Fresh bedding should be placed in animal quarters following treatment. Concurrent treatment of animals with an approved insecticide is recommended.

**SPACE SPRAYING:**

Close doors and windows and shut off ventilating systems. Apply with a good machine adjusted to deliver a fine mist or fog. For rapid control of **flies, fruit flies, gnats, mosquitoes, skipper flies, wasps, hornets, Angoumois grain moths, Mediterranean flour moths, Indian meal moths and tobacco moths**, direct spray at an upward angle distributing it uniformly throughout the entire area at a rate of one gallon to 200,000 cubic feet (0.65 oz per 1000 cu. ft.) of space.

To kill exposed or accessible stages of the above-named flying insects, use a rate of one gallon to 80,000 cubic feet (1.6 oz. per 1000 cu. ft.) of space. Contact insects directly whenever possible.

### Storage and Disposal

Do not contaminate water, food or feed by storage or disposal.

**Pesticide Storage:** Store this product in its original container in a dry, cool, secured area.

**Pesticide Disposal:** As a responsible environmental practice, where possible, it is recommended that all of the contents of the container be used, carefully following label directions and precautions. If wastes cannot be avoided, offer remaining product to a waste disposal facility or pesticide disposal program (often such programs are run by state or local governments or by industry).

**Container Handling:** Non-refillable container. Do not reuse or refill this container. Place in trash or offer for recycling, if available or reconditioning, if appropriate or puncture and dispose of in a sanitary landfill or by other procedures approved by state and local authorities.

**Spill:** In case of spill, absorb liquid with absorbent material such as soil or clay, etc. Sweep up and dispose of material according to PESTICIDE DISPOSAL directions listed above.

**CONDITIONS OF SALE:**

Read the entire Directions for Use, Conditions, Disclaimer of Warranties and Limitation of Liability before using this product. If the terms are not acceptable, return the unopened container at once. By using this product, user and buyer accept the following Conditions, Disclaimer of Warranties and Limitations of Liability. **CONDITIONS:** The directions for use of this product are believed to be adequate and must be followed carefully, however it is impossible to eliminate all risks associated with the use of this product. Injury, ineffectiveness or other unintended consequences may result because of such factors as weather conditions, presence of other materials or the manner of use or application, all of which are beyond the control of J.T. EATON & CO., INC. All such risks shall be assumed by the user or buyer. **Disclaimer of Warranties:** To the extent consistent with applicable law, there are no warranties, express or implied, of merchantability or of fitness for a particular purpose or otherwise which extend beyond the statements made on this label. No agent of J.T. EATON & CO., INC. is authorized to make any warranties beyond those contained herein or to modify the warranties contained herein. To the extent consistent with applicable law, J.T. EATON & CO., INC. disclaims any liability whatsoever for special, incidental or consequential damages resulting from the use or handling of this product. **LIMITATION OF LIABILITY:** To the extent consistent with applicable law, the exclusive remedy of the user or buyer for any and all losses, injuries or damages resulting from the use or handling of this product, whether in contract warranty, tort, negligence, strict liability or otherwise, shall not exceed the purchase price or at J.T. EATON & CO., INC.'s option, the replacement of the product.
